

地块1
面积：9.6533公顷

This is an aerial photograph of a coastal region. A large body of water is at the top. A highway interchange is visible on the left. The land is divided into various plots, some with buildings and others with vegetation. Two specific plots are highlighted with red outlines. Yellow leader lines connect these plots to text boxes. The first plot is a large, roughly rectangular area in the upper-middle section. The second plot is a smaller, irregularly shaped area located below and to the right of the first plot. The surrounding area includes a mix of industrial buildings, residential structures, and green spaces.
